### **The Debtors' Retention of Weil**

8. Weil has served as the Debtors' counsel since the Commencement Date. The Court approved the Debtors' application to retain and employ Weil as their attorneys (ECF No. 344) by order, dated November 13, 2018 (ECF No. 691) (the "**Retention Order**"). The Retention Order authorizes the Debtors to compensate and reimburse Weil in accordance with the Bankruptcy Code, the Bankruptcy Rules, and the Fee Guidelines (defined below). The Retention Order also authorizes the Debtors to compensate Weil for services rendered and to reimburse Weil for its reasonable and necessary expenses incurred at Weil's normal hourly rates and disbursement policies, subject to application to this Court. <sup>3</sup> This Application has been prepared in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the *Order Authorizing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* (ECF No. 796) (the "**Interim Compensation Order**"), the Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases pursuant to Local Rule 2016-1(a) (as updated June 17, 2013) (the "**Local Guidelines**"), and the U.S. Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases, effective November 1, 2013 (the "**UST Guidelines**," and, together with the Local Guidelines, the "**Fee Guidelines**").

Debtors and their estates. During the Compensation Period, Weil attorneys and paraprofessionals expended a total of 12,682.50 hours in connection with the necessary services performed. Weil seeks allowance of compensation for professional services performed in the amount of \$10,388,784.25 and for reimbursement of expenses incurred in connection with the rendition of such services in the amount of \$675,032.56. Weil reserves the right to request additional compensation for the Compensation Period to the extent that time or disbursement charges for services rendered or disbursements incurred relate to the Compensation Period.

10. There is no agreement or understanding between Weil and any other person, other than members of the firm, for the sharing of compensation to be received for services rendered in these cases. During the Compensation Period, Weil received no payment or promises of payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Application (other than from the Debtors in accordance with the Interim Compensation Order).

11. The fees charged by Weil in these cases are billed in accordance with Weil's existing billing rates and procedures in effect during the Compensation Period. The rates Weil charges for the services rendered by its professionals and paraprofessionals in these chapter 11 cases generally are the same rates Weil charges for professional and paraprofessional services rendered in comparable bankruptcy and nonbankruptcy related matters. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable bankruptcy and nonbankruptcy cases in a competitive national legal market.

12. Weil consistently monitors its charges and expenses before and after the submission of monthly fee statements for possible errors or charges that should be reduced. Weil

will continue to diligently monitor its charges and expenses and, where appropriate, make applicable reductions.

13. Annexed hereto as **Exhibit A** is a certification regarding compliance with the Fee Guidelines.

14. The attached summary sheet contains a schedule of Weil professionals, paraprofessionals, and other non-legal staff who have performed services for the Debtors during the Compensation Period, the capacities in which each individual is employed by Weil, the department in which each individual practices, the hourly billing rate charged by Weil for services performed by such individuals, the year in which each attorney was first licensed to practice law, where applicable, and the aggregate number of hours expended in this matter and fees billed therefor.

15. The attached summary sheet also contains a summary of Weil's time records billed during the Compensation Period using project categories hereinafter described. Weil maintains computerized records of the time spent by all Weil attorneys and paraprofessionals in connection with the prosecution of these chapter 11 cases. Details were filed on the docket with Weil's monthly fee statements and furnished to the Debtors, the Court, counsel for the Creditors' Committee, and the U.S. Trustee in the format specified by the Fee Guidelines. A copy of the details are annexed hereto as **Exhibit E**.

16. The attached summary sheet contains a schedule specifying the categories of expenses for which Weil is seeking reimbursement and the total amount for each such category. Itemized schedules of all expenses have been filed on the docket with Weil's monthly fee statements, provided to the Debtors, the Court, counsel for the Creditors' Committee, and the U.S. Trustee.

17. Annexed hereto as **Exhibit B** is a summary and comparison of the aggregate blended hourly rates billed by timekeepers in Weil's domestic offices to nonbankruptcy matters during the preceding 12-month period ending November 30, 2019 and the blended hourly rates billed to the Debtors during the Compensation Period.

18. Weil discussed its rates, fees, and staffing with the Debtors at the outset of these cases. Further, Weil provided the Debtors with a budget in connection with the Debtors' postpetition financing and discussed staffing and fees with the Debtors throughout the Compensation Period. A summary of Weil's budget and a discussion of its staffing plan are attached as **Exhibit C** and **Exhibit D**. Attorneys and paraprofessionals assigned to this matter were necessary to assist with the prosecution of the Debtors' chapter 11 cases, preservation of the Debtors' assets, and other matters described herein.

19. The Debtors have been given the opportunity to review this Application and have approved the compensation and reimbursement of expenses requested herein.

21. The professional services performed by partners, counsel, and associates of Weil were rendered by the Business Finance & Restructuring, Corporate, Litigation, and Tax, Benefits, and Executive Compensation Departments predominantly in the New York office. Weil has a preeminent Business Finance & Restructuring practice and enjoys a national reputation for its expertise in financial reorganizations and restructurings of troubled entities, with approximately 100 attorneys that specialize in this area of law.

22. The professional services performed by Weil on behalf of the Debtors during the Compensation Period required an aggregate expenditure of approximately 12,682.50 hours by Weil's partners, counsel, associates, paraprofessionals, and other non-legal staff. Of the aggregate time expended, approximately 2,872.10 recorded hours were expended by partners and counsel of Weil, approximately 7,513.20 recorded hours were expended by associates, and approximately 2,297.20 recorded hours were expended by paraprofessionals and other non-legal staff of Weil.

#### **Actual and Necessary Disbursements of Weil**

23. Weil disbursed \$675,032.56 as expenses incurred in providing professional services during the Compensation Period. These expenses are reasonable and necessary and were essential to the overall administration of these chapter 11 cases.

24. While Weil has not charged the Debtors for any overtime expenses, consistent with firm policy, attorneys and other employees of Weil who worked late into the

evenings or on weekends were reimbursed for their reasonable meal costs and their cost for transportation home from the office. Weil's regular practice is not to include components for those charges in overhead when establishing billing rates and to charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of the rendition of services. The reimbursement amounts do not exceed those set forth in the Fee Guidelines and the Local Rules.

25. With respect to black-and-white photocopying expenses, in compliance with the Fee Guidelines and Local Rule 2016-1, Weil charges all of its clients \$.10 per page; for color copies, Weil charges \$.50 per page. Each of these categories of expenses does not exceed the maximum rate set by the Local Rules or Local Guidelines. These charges are intended to cover Weil's direct operating costs, which costs are not incorporated into the Weil hourly billing rates. Only clients who actually use services of the types set forth in the summary sheet are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would impose that cost upon clients who do not require extensive photocopying and other facilities and services. The amount of the standard photocopying charge is intended to allow Weil to cover the related expenses of its photocopying service. A determination of the actual expenses per page for photocopying, however, is dependent on both the volume of copies and the total expenses attributable to photocopying on an annual basis.

26. On certain occasions, overnight delivery of documents and other materials was required as a result of circumstances necessitating the use of such express services. These disbursements are not included in Weil's overhead for the purpose of setting billing rates. Weil has made every effort to minimize its disbursements in this case. The actual expenses

incurred in providing professional services were absolutely necessary, reasonable, and justified under the circumstances to serve the needs of the Debtors, their estates, and creditors.

**The Requested Compensation Should Be Allowed**

27. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 to govern the Court's award of such compensation. 11 U.S.C. § 331. Section 330 provides that a Court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered [and] reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded to [a] professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

*Id.* § 330(a)(3).

28. Weil submits that the professional services for which it seeks compensation and the expenditures for which it seeks reimbursement in this Application were necessary and appropriate for the orderly administration of the Debtors' chapter 11 estates. The professional services performed by Weil preserved and protected the value of the Debtors' assets for the benefit of all parties-in-interest.

29. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, and tasks involved. The professional services were performed expediently and efficiently. Whenever possible, Weil sought to minimize the costs of its services to the Debtors by utilizing talented junior attorneys and paraprofessionals to handle the more routine aspects of case administration.

30. The compensation requested herein is reasonable under the applicable standards. Approval of the compensation for professional services and reimbursement of expenses sought herein is warranted. Weil respectfully requests that the Court grant the Application.

### **Notice**

31. Notice of this Motion will be provided in accordance with the procedures set forth in the *Amended Order Implementing Certain Notice and Case Management Procedures*, entered on November 1, 2018 (ECF No. 405) (the "**Amended Case Management Order**"). The Debtors respectfully submit that no further notice is required.

32. No previous request for the relief sought herein has been made by Weil to this or any other Court.

### **Conclusion**

33. Weil respectfully requests that the Court (i) award interim allowance of Weil's compensation for professional services rendered during the Compensation Period in the

amount of \$11,063,816.81, consisting of \$10,388,784.25 in fees incurred and \$675,032.56 in actual and necessary expenses incurred during the Compensation Period, and that such allowance be without prejudice to Weil's right to seek additional compensation for services performed and expenses incurred during the Compensation Period, which were not processed at the time of this Application, (ii) direct payment by the Debtors of the difference between the amounts allowed and any amounts previously paid by the Debtors pursuant to the Interim Compensation Order, and (iii) grant such other and further relief as is just.
